### **Recess Supervision – Safety Vests:**

- height of kinder fence

- forts during winter – someone was crying about they were hurt making forts. Building forts in areas that are great places. Example building forts in the soccer nets. Fort areas on the yard. Fort rules. Put out the grade 5 and 6 classes about developing rules.

Yard – SK Student was saying bad words and leaving the yard – leaving through the whole in the fence – there are a few wholes – Adele will follow up with Luc about checking the fence.

Swearing on the yard – there was a presentation about no swearing – during an assembly re-visit this.

Soccer – more hands on lately during soccer on the yard. Review recess expectation with Students and staff. Is there some heavy lifting -type activities for students who need to move more?

### **Pick up and Drop off:**

Updated the team on drop off and pick up procedure. Feedback from the team is that the new procedures are more smooth.

### **Lockdown procedures:**

Reviewed the emergency codes and clarified the differences.

### **Emergency Response Plan:**

- transportation list

- add church to evacuation plan

Student Climate Survey:

Updated the team on the school culture survey

### **Bullying Prevention and Intervention Plan:**

Mason – If we hear about students bullying people over and over – staff can keep a closer eye

Officer Duguay – Could we have a drop box for students to leave suggestions or worries?
